## **NONAME, OFFICIAL SUPPLIER OF THE FRENCH NATIONAL ORIENTEERING TEAMS FOR THE PERIOD 2019-2021**

The French Orienteering Federation and NONAME have decided to renew their partnership until 2021. Historical partner of FFCO since 1 January 2005, once again Noname will support the French national orienteering teams.

**Michel EDIAR, President of the French Orienteering Federation :**

*« It is a pleasure to pursue our cooperation with Noname, which has been the French national orienteering teams' supplier for already 14 years. I would particularly like to thank its managing director Peter IVARS for his loyalty and engagement to the French orienteering federation. »*

**Peter IVARS, Noname managing director :**

*« We are very pleased to continue the co-operation with FFCO for another three years. We have been working together for a long time already and we have had the pleasure to follow the fantastic results during our common journey. The French team is one of the strongest teams in the world and the feedback we get from the team members is very important for us. We look forward to the coming years! »*
